(Sing to the tune of Are You Sleeping?)

The temperature's falling
The temperature's falling
So are the leaves
So are the leaves

Red, yellow, orange and brown ones

Red, yellow, orange and brown ones

On the ground
On the ground

(Sing to the tune of Wheels on the Bus)

The apples in the orchard get picked, picked, picked
picked, picked, picked
picked, picked, picked

The apples in the orchard get picked, picked, picked

In the Autumn Time

The veggies in the garden grow big, big, big
big, big, big
big, big, big
The veggies in the garden grow big, big, big

In the Autumn Time

(Sing to the tune of Row, Row, Row your Boat)

Shovel, shovel, shovel the snow
Off the sidewalk, FAST!
Gently falling from the sky
It's not going to last!
